INTRODUCING LANDING PAD, OUR NEW COMMUNITY APP

By Brandyn Curry, Program Director

The team at Project LAND is pleased to share exciting news with you - the launch of our new app, **LANDing Pad**, in mid-May. Please complete this **form**, so we can ensure your immediate access to LANDing Pad upon signing up.

LANDing Pad is designed exclusively for our community of former Notre Dame student-athletes, managers, trainers, and fellow alumni, with features that encourage connection and collaboration across all 26 varsity sports and 50 states. Our app is modeled after the SEAL Future Foundation's community app, which keeps Navy SEAL veterans connected to each other for resources and opportunities as they transition from the military.

LANDing Pad helps all of us:

STAY CONNECTED

- **Sport-Specific Groups** feature enables you to connect with former teammates and alumni within your sport for support and networking.
- **Location-Based Groups** connects you to alumni within your state to foster stronger local connections and support systems.

ACCESS CORE PILLARS

- **LAND Pillars & Resources** feature provides essential information on LAND's mental wellness, physical health, career transitions, emergency assistance, and innovation/entrepreneurship pillars.
- For access to our services or to refer a fellow alumnus or alumna, contact Program Director **Brandyn Curry**.

BUILD A CAREER

- **Direct Messaging** gets you straight to fellow alumni for advice, mentorship, or networking.
- **Advanced Filtering** helps you easily find alumni based on sport, industry, job title, and location, to connect with those who can offer the most relevant support and advice.

KEEP CURRENT

- **Events & Seminars** feature includes upcoming events, online seminars, and live Zoom calls from partners and mentors within the LAND Network.
- **Personalized Activity Feed** sends you updates and posts from only the groups you belong to, ensuring all content is relevant to your interests and needs.

How can you and your fellow Notre Dame alumni enjoy our new app's features and strengthen our special community?

1. Please complete this **form** so we can ensure your immediate access to LANDing Pad upon signing up.
2. Then, forward the **link** to alumni you know and encourage them to do the same. Our community will gain all the advantages the app has to offer, together.

We can't wait to connect with all our current and future friends in LANDing Pad. Thank you for your continued support of Project LAND.
