DEDICATED TO LEARNING, LEADERSHIP, AND COMMUNITY HEALTH & ENGAGEMENT

Charity was a QuestBridge Scholar during her studies at Notre Dame and as a member of the Volleyball team, she progressed from a preferred walk-on to a starter and team leader.

Charity served the University as vice president of the Student Athlete Advisory Committee, co-leader of Together Irish, leader of Notre Dame Christian Athletes, and team representative for the athletic director. She was recruited to Stanford University for her 5th year to complete her master's degree.

Charity is seeking a full-time job in community health, community engagement, global health, or well-being; however, she is open to learning about different roles and industries.
